

Thank you for coming tonight to enjoy music with us.

Please take a moment to visit with us in the lobby after the concert and enjoy some cookies. We would love to hear your comments.

After the concert, the Coopersville Arts Council members will be passing out special gifts in the lobby to our young at heart who dressed up as princes, princesses, superheros and other characters.

The Coopersville Community Concert Band is a volunteer group of adult musicians who share a common love of music and desire for lifelong learning and participation. New members welcome - join us!

The Coopersville Community Concert Band was formed in January of 2003 by then Coopersville High School Band director, Luanne DeVries, as a place for adults to continue playing their instruments and provide music to the community. The band rehearses from September through April with performances at the Centerstage Theatre and senior living centers around the area. During the summer, you will find CCCB members playing in the Alumni Alley Cats Jazz Band.

The band operates under the umbrella of the Coopersville Area Arts Council. If you would like support the band, please drop a note in the donation boxes by the auditorium entrance or mail in the donation form provided in this program.
